

getopt1.c

```
graph LR; A[getopt1.c] --> B[getopt_win.h]; A --> C[stdio.h];
```

A diagram illustrating the dependencies of the file getopt1.c. The file getopt1.c is shown in a black box on the left. Two blue arrows originate from its right side. The top arrow points to a box labeled getopt\_win.h, which has a thick black border. The bottom arrow points to a box labeled stdio.h, which has a thin gray border.

getopt\_win.h

stdio.h
