

testenc_uwb.c

```
graph LR; A[testenc_uwb.c] --> B[speex/speex.h]; A --> C[stdio.h]; A --> D[stdlib.h]; A --> E[speex/speex_callbacks.h]; A --> F[math.h];
```

A diagram illustrating the dependencies of the source file `testenc_uwb.c` on various header files. The source file is represented by a black box on the left, and the header files are represented by white boxes on the right. Five blue arrows point from the source file to the header files, indicating the dependencies.
